

# 美国OK PCT-100 中央预热台

产品名称	美国OK PCT-100 中央预热台
公司名称	上海艾田电子科技有限公司
价格	.00/个
规格参数	品牌:美国OK 型号:PCT-100
公司地址	上海市嘉定区真新街道金沙江路3131号5幢J1409室（注册地址）
联系电话	86 21 51692216 13901745020

## 产品详情

品牌	美国OK	型号	PCT-100
详细内容			

### pct-100 focused convection pre-heater

#### key features & benefits

- accelerates and enhances the lead-free smt & through-hole rework process
- temperature ramps up quickly, maximizing efficiency
- adjustable knob controls the required temperature to below 300 ° c
- controlled cool-down eliminates thermal shock to components
- thermocouple feedback temperature control regulates output temperature
- system safety feature automatically shuts off heating when fan is stopped
- esd safe

#### pre-heater and accessories

individual parts	
part number	description
pct-100-11	focus preheater 115v
pct-100-21	focus preheater 230v
pct-ar	adjustable angle arm rest
bh-010	integrated board holder kit

bh-100	free-standing board holder	
system packages	system packages	
	part number	description
	pct-101-11	focus preheater 115v with arm rest
	pct-101-21	focus preheater 230v with arm rest
	pct-102-11	focus preheater 115v, arm rest, free-standing board holder
	pct-102-21	focus preheater 115v, arm rest, free-standing board holder
	pct-103-11	focus preheater 115v, arm rest, integrated board holder
	pct-103-21	focus preheater 235v, arm rest, integrated board holder
spare parts	spare parts	
	part number	description
	pct-1he-11	heater assembly 115v
	pct-1he-21	heater assembly 230v
	arm rest pad	pct-arpad

this new pre-heater targets heat for improved speed and efficiency for high thermal demand applications, including lead-free and through-hole hand processes, the pct-100 uses convection air heating to heat a pcb first, for better soldering, improved and increased productivity.

the pct-100 focus pre-heater adds heat volume, without turning up the temperature, to perform assembly tasks at the appropriate temperature without distorting the board.

ideal for thick boards and smaller boards, such as cell phone and pdas, the pre-heater focuses and delivers hot air where you finished, the fan continues without heat to cool down the board. the system is easy-to-use. simply plug it in, turn it on, adjust it's ready for work.

accessories add to ease-of-use.the pct-100 can be used with or without a board holder. an arm rest is also available to steady keep your arm from being fatigued. the board holder and arm rest are available as a complete kit, with the pct-100, or they separately.
