随着各地拍场古钱币买卖的次数更加频频，且因它为群众藏友们带来的价值不菲，使得钱币在各地拍场中所占有的地位越来越高。在辛亥革命100周年留念日的推进下，近期赤色保藏再度升温，特别是向来对重大历史事件高度灵敏的金银币保藏商场，短期行情也顺势火爆。

As the number of ancient coins sold and sold in various places has become more frequent, and because it has brought great value to the people's Tibetan friends, coins have occupied a higher and higher position in the shooting field. Under the promotion of the 100th anniversary of the Revolution of 1911, the red color preservation has recently warmed up again, especially the gold and silver coin preservation shopping mall, which has always been highly sensitive to major historical events, and the short-term market has also become hot.

湖南省造双旗币产生于民国时期，民国在中国历史上仅仅存在了几十年的时间，因此，在兵荒马乱、国内战争频发的期间内，钱币在经历了无穷的岁月之后，依然可以完整地保留下来，实属不易，具有很高的文物收藏价值、历史文化价值以及艺术品鉴价值。

The Hunan Shuangqi currency was created during the period of the Republic of China. The Republic of China only existed for decades in the history of China. Therefore, during the period of chaos and frequent civil wars, coins can still be completely preserved after experiencing endless years. It is not easy, with a high collection value of cultural relics, historical and cultural values and art value.

此枚“湖南省造双旗币”钱币正面中央图案为“十九星铁血旗”和“五色国旗”交叉而立、旗后有纓带，双旗寓意全国一统与民族大团结；钱币正面圈外上部署湖南省造基地；左右饰以团菊花纹；下方则镌“当制錢二十文”标明币值。钱币背面正中图案则为稻穗组成嘉禾纹，寓意丰民足岁；背面上部镌“THE REPUBLIC OF CHINA”；下方则镌“TWENTY CASH”。其币保存完整，包浆完美，值得珍藏。

The central pattern on the front of the "Hunan Provincial Double Flag Coin" coin is the intersection of the "19 Star Iron and Blood Flag" and the "Five-colored Flag". There is a banner behind the flag. The double flag symbolizes the unity of the country and the national unity; The Hunan Provincial Construction Base is deployed outside the front circle of coins; Left and right decorated with tuju pattern; Below, the "When the money is made" indicates the

currency value. The middle pattern on the back of the coin is the composition of the rice ear, which means that the people are old; The upper part of the back is engraved "THE REPUBLIC OF CHINA"; Below is the "TWENTY CASH". Its currency is preserved completely, and its pulp is perfect and worth collecting.

双旗币中华民国是近代中国钱币中的精品，有着历史熏陶，是价值很高的革命文物，具有深远的历史纪念意义;同时，还是考古和研究中国历史文化难得的实物。此枚铜币经历岁月的无情洗礼，但仍然保存完好，色泽自然，铸造精美，原色包浆，钱文、轮廓仍可辨认，具有很高的历史价值、艺术价值和收藏价值。由于历经百年风雨，此种铜币存世量极为稀少，尤其是品相好的更为稀缺，因此很受收藏爱好者青睐，未来升值潜力巨大。

The two-flag currency Republic of China is a fine product of modern Chinese coins. It has historical influence and is a revolutionary cultural relic of high value. It has far-reaching historical commemorative significance. At the same time, it is also a rare physical object for archeology and research on Chinese history and culture. This copper coin has experienced the relentless baptism of the years, but it is still well preserved, natural color, exquisite casting, original color pulp, money text and outline are still recognizable, with high historical value, artistic value and collection value. Due to the hundreds of years of rain and rain, the existence of this kind of copper coin is extremely rare, especially when the quality is better, so it is very popular among collectors and the potential for future appreciation is huge.
