

# Plastic Bag 3 Folding Machine

产品名称	Plastic Bag 3 Folding Machine
公司名称	佛山市鸿德信电子有限公司
价格	150000.00/Set
规格参数	
公司地址	三水区西南街道广海大道东8号1005
联系电话	18924563928

## 产品详情

1. It is mainly used to manufacture PE (HDPE/LDPE/LLDPE) flat bags, suitable for making printing bag or natural color bag.
2. Bag sealing and cutting part is controlled by China Lianjie Brand Touch Screen and 2.2KW SIMENS Brand Main Motor (with 2.2KW DELTA Brand Inverter controlling)
3. Equip with 3KW YASKAWA Brand Servo Motor to control feeding the material automatically and accurately.
4. There is 4 times folding, first step vertical folding, second step vertical folding again, the do transverse folding, the final step do transverse folding again. Finally the folded bags will be transferred out through conveyor belt after flattening automatically by cylinder.
5. Adopts DELTA Brand PLC and Taiwan Weinview Brand Touch Screen, you could preset the bag length, quantity, when the bags number approach the preset quantity, the controller will alarm automatically.
6. Auto counter, auto. alarm when the film run out.
7. Equips with ORMON Brand Temperature Control makes the sealing of bag opening firm and smooth.
8. Adopts SICK Brand Photocell Eye to track the label when making printed bags, to make sure cutting accurately
9. On the folding part, equips with 3 sets 0.75KW motors (with 3 sets 0.75KW DELTA Brand Inverters controlling)
10. Equips with auto conveyor to transmit the bags automatically.
11. Adopts OMRON Brand Temperature Controller and SCHNEIDER Brand Electric Components (Except for some appliances without SCHNEIDER Brand as alternative).

Main Parameters:

Width of bag making (Max): 1000mm

Length of bag making (Max): 1800mm

Speed of bag making: about 30-70PCs/min (actual speed is related with bag length, thickness etc)

Thickness of bag making: 0.01-0.15mm (related with material)

Main motor:2.2KW/3phase 220V 60HZ SIMENS Brand

Servo motor:3KW/3phase 220V 60HZ YASKAWA Brand

Inverters: 2.2KW \*1set; 0.75KW\*3 sets 3phase 220V 60HZ Delta Brand

DELTA Brand PLC & Taiwan Weinview Brand Touch Screen

Total power: about 12KW 3phase 220V, 60HZ

Weight: about 1800KGS

Dimension: 6.5m(L)\*1.5m(W)\*1.7m(H)
