charcoal nose pastepores shrink lotion 8mlnose stickers 10

containing charcoal natural ingredients and many minerals, the new-type nose paste can extract the sebum, grease, dirt, and other derivative blackheads in the nose pores and effectively alleviate pore blockage and prevent the growth of acne. regular application can take an effective care of the nose skin and bring you more charms.

use:1. open the package and take out the cotton cleanser. wet the cotton cleanser with cardulis extraction liquid and thoroughly cleanse the nose with it.2.affix the paste closely to the nose and press it with fingers. discharge the air out of the nose from the nose bridge to the nose wings. press the paste closely to the nose.

3.when the paste gets dry, remove it slowly from the nose wings.

4.pull out cardulis and cleanse the nose with pores shrink lotion.

毛孔收缩露8ml

黑头导出液14ml

鼻贴10片
