

# 出口Cont Cable控制电缆

产品名称	出口Cont Cable控制电缆
公司名称	南宁市南昌电缆有限责任公司
价格	1.00/米
规格参数	
公司地址	南宁市科园西十路 2 4 号
联系电话	0771-3899980 15578110471

## 产品详情

型号	KVV,KVVP,KVV22,KVVR 护套材质	PVC,XLPE,PU,PE.
电线最大外径	800 ( mm )	产品认证
features specifications: control cable	application: <a href="#">construction</a>	UL,VDE,CE,CCC

characteristic

1.this product is suitable for the control and main closed loop or protection circuit,which ac rated voltage is 450/750vuo/u or the d.c 1000v

2.the long-term working temperture of the cable is 70 centigrade

3.the working voltage of the cable should not exceed 1.1 times of the rated voltage

type and specifications

model number	name	main application
kvv	copper core pvc insulation pvc sheath control cable	lay at indoor,cable pit,fixed pipeline,etc
kvvp	copper core pvc insulation pvc sheath braid shielding	lay at indoor ,trench pit,pipeline,etc ,which

		control cable		need shielding condition					
kvv22		copper core pvc insulation pvc sheath steel tape metal shielding control cable		lay at indoor ,trench pit,pipeline,vertical bury,etc,which need big mechanical external force					
kvv		copper core pvc insulation pvc sheath soft control cable		lay at indoor which need soft condition					
kvvrp		copper core pvc insulation pvc sheath braid shielding control cable		lay indoor which need soft and shielding conditions					
type	rated voltage	standard cross-section of conductor (mm <sup>2</sup> )							
		0.5	0.75	1.0	1.5	2.5	4	6	10
		core quantity							
kvvkvp	450/750	2-37				2-14		2-10	
kvv22		7-37			4-37		4-14		4-10
kvv		4-37							
kvvrp		4-37			4-37
