陀螺世界理财游戏开发找梁经理【15989937570】

TLBC was collected 12 times a day, and there was a chance to get 1 yuan random red envelope. Every day, all the arithmetic activities were completed, and there was a chance to get 5 yuan random red envelope. Receiving TLBC is based on personal rewards for gyro world activities, which can be used for consumption and exchange. The speed of TLBC acquisition depends on the calculation power earned by working. The higher the calculation value, the more TLBC will be obtained. Every day, all the calculation activities will be completed, and there will be random red envelope reward. Raising dinosaurs to drag synthetic dinosaurs, magic, fresh style, the more advanced the dinosaurs acquire the attributes and rights of the more you experience the "arithmetic dragon", "red envelope dragon", "dividend dragon" and so on, more dinosaurs continue to develop ~.
