

TPEEHTR8667美国杜邦原料

产品名称	TPEEHTR8667美国杜邦原料
公司名称	东莞市湘远塑胶有限公司
价格	.00/千克
规格参数	品牌:美国杜邦 型号:HTR8667
公司地址	深圳市龙岗区龙城街道盛平村委田段心南十二巷2号101
联系电话	13532886152

产品详情

TPE (thermoplastic elastomer), /K, TC6FLN/, German gumUses: otherCharacteristic note: good coloring, halogen-free, low smoke release, self extinguishing, flame retardant performanceImportant parameter: density: 1.13 g/cm3, elongation at break: 680% hardness: 60Manufacturer: KRAIBURG-TPE company of GermanyTPE (thermoplastic elastomer), /K, TC5FLN/, German gumUses: otherCharacteristic note: good coloring, halogen-free, low smoke release, self extinguishing, flame retardant performanceImportant parameter: density: 1.13 g/cm3, elongation at break: 650% hardness: 50Manufacturer: KRAIBURG-TPE company of GermanyTPE (thermoplastic elastomer), /K, TC4FLN/, German gumUses: otherCharacteristic note: good coloring, halogen-free, low smoke release, self extinguishing, flame retardant performanceImportant parameter: density: 1.13 g/cm3, elongation at break: 600% hardness: 40Manufacturer: KRAIBURG-TPE company of GermanyTPE (thermoplastic elastomer), /K, TC4NYN/, German gumUses: otherFeatures: good liquidity, good colouring, good adhesion, weather resistance, good performance, softImportant parameter:Manufacturer: KRAIBURG-TPE company of GermanyTPE (thermoplastic elastomer), /K, TC4FLZ/, German gumUses: otherCharacteristic note: good coloring, halogen-free, low smoke release, self extinguishing, flame retardant performanceImportant parameter: density: 1.13 g/cm3, elongation at break: 600% hardness: 40Manufacturer: KRAIBURG-TPE company of GermanyTPE (thermoplastic elastomer), /K, TC5FLZ/, German gumUses: otherCharacteristic note: good coloring, halogen-free, low smoke release, self extinguishing, flame retardant performanceImportant parameter: density: 1.13 g/cm3, elongation at break: 650% hardness: 50Manufacturer: KRAIBURG-TPE company of Germany
