产品详情

柔软毛面加射出勾魔术贴整理线束扎带，可以在扎带用激光镭射打上或者印上LOGO商标，这样一条小小不起眼的射出勾魔术贴扎带

可以让你的产品显得更上档次成为高大上的产品

，又名魔术贴束线带，粘扣带扎带

，它与普通的扎带有不同之处，普通的扎带，设计有止退功能，只能越扎越紧。而魔术贴扎带采用魔术贴制作原理，它是一种连接辅分公母两面，一面是细小柔软的纤维另一面是较硬的像小毛抓的东西。一下就贴在一起了。在受到一定的拉力下，富有弹性的勾被拉直，从绒圈上松胶而打开，然后又恢复原有

粘扣带都只能采用车缝的办法固定于产品或物件上。

用途：魔术贴扎带可用于电脑内部线缆\外部鼠标线\键盘线\网线\音箱线等、耳机线、USB数据线、各种电源充电器线、电缆线、家用电器音响线路、机柜周边线材的捆扎，使它们布局合理、走线整齐美观、方便清洁整

魔术贴束线带

可以方便地用来整理和梳理家庭里的各种电线和USB数据线。魔术贴的品种随着科技的发展，魔术贴的应用也在不断的提高，其品种也在不断的进化，由最初服装手袋厂用的尼龙魔术贴，进化到塑料五金家庭用品厂的背胶自粘魔术贴，电子厂电器厂用的理线带魔术贴扎带，植物用的固定绑带等。

The latest high-grade soft matte surface plus shot hook velcro finishing tie, you can use the laser laser on the cable tie or print the LOGO trademark, so a small and inconspicuous shot hook velcro strap can make your product look more upscale Become a tall product, also known as the Velcro strap, the Velcro strap, it is different from the ordinary

tie, the ordinary cable tie, designed with a stop function, can only be tighter and tighter. The Velcro strap is based on the principle of Velcro production. It is a kind of connecting auxiliary points on both sides of the male and female, one side is a small soft fiber and the other side is a harder thing like a small hair. Just put it together. Under a certain pulling force, the elastic hook is straightened, and the rubber is opened from the loop, and then the original hook shape is restored, so that the repeated opening and closing can reach 10,000 times, and the hook and loop fastener is widely used. The position where various items are often opened or closed, but the traditional [hook and loop fasteners](#) can only be fixed to the product or object by sewing.

Uses: Can be used for computer internal cable \ external mouse line \ keyboard line \ network line \ speaker line, etc., headphone cable, USB data cable, various power charger lines, cable lines, household audio lines, bundles around the cabinet wire, Make them layout reasonable, neat and beautiful, easy to clean

[Velcro strap](#)

It can be easily used to organize and sort the various wires and USB data cables in the home. With the development of technology, the application of Velcro is constantly improving, and its variety is constantly evolving. From the nylon velcro used in the original clothing handbag factory, it has evolved into the plastic hardware household goods factory. Sticky Velcro, cable management belts for electronics factory electrical appliances with [Velcro straps](#), fixed straps for plants, etc.
