

# JSW Not Scar Wrap Cutting Tape

产品名称	JSW Not Scar Wrap Cutting Tape
公司名称	北京佳盛伟科技有限公司
价格	188.00/卷
规格参数	品牌:JSW
公司地址	北京市朝阳区慈云寺1号院3号楼1层、2层(八里庄孵化器3-0351号)
联系电话	18510808500

## 产品详情

JSW [Not Scar Wrap Cutting Tape](#) is the first product in China's automotive industry to introduce film cutting lines. JSW has a complete design and development structure, an international and professional management team. The company has always followed the corporate mission and governance principles and we are responsible for products and partners. [Not Scar Wrap Cutting Tape](#) ensures that products and partners move toward a common goal based on a consistent strategy, unified brand and culture. Through the establishment of a complete [Not Scar Wrap Cutting Tape](#) supply channel system, clear development strategy, leading innovative technology system, and efficient process concept, and it provides guarantee for the sustainable development of JSW [Not Scar Wrap Cutting Tape](#). In [Not Scar Wrap Cutting Tape](#) film application, it can be cut directly, without using a knife, which is secure, and even in a small space range, the cutting effect is still excellent.

Fiber reinforced composite materials are not only the key [Not Scar Wrap Cutting Tape](#) materials in the field of high technology and cutting-edge technology, but also the important materials in the fields of automobile, new energy, new building materials, information industry, petrochemical industry, environmental protection, etc. With the global energy crisis and resource shortage, fiber reinforced composite [Not Scar Wrap Cutting Tape](#) has ushered in new development opportunities. As the leader of special high-performance synthetic fiber, carbon fiber has the fastest development in the world. Because of its incomparable characteristics with traditional reinforced fiber, [Not Scar Wrap Cutting Tape](#) has been widely used in high-end fields. Over the years, overseas carbon fiber [Not Scar Wrap Cutting Tape](#) manufacturers have been optimistic about China's growing market. At this exhibition, the world famous carbon fiber [Not Scar Wrap Cutting Tape](#) manufacturers, such as Toray, DONGBANG, Mitsubishi, zhuotai, hatch, sigli, Formosa Plastics, Xiaoxing, etc., have demonstrated their unique high-performance carbon fiber [Not Scar Wrap Cutting Tape](#), prepreg and products. Dawaksa, a Turkish company active in the global carbon fiber design line market, is the largest manufacturer of Polyacrylonitrile and carbon fiber production in the world. It was first exhibited this year. It is understood that its sales volume in China in 2012 was more than 1500 tons.

Users in the new era of the Internet are young, creative, thoughtful, and keen to express themselves. The assembly line automobile [Not Scar Wrap Cutting Tape](#) products can no longer meet the needs. Only with the ultimate design, control, intelligent and interconnected film can they meet their [Not Scar Wrap Cutting Tape](#) needs. The happiest thing in the world is to strive for dreams. To inspire all entrepreneurs like this, the original intention of Dongguan Taimao Electronic Materials Co., Ltd. JSW is to invite everyone to go with us, talk about dreams, share joy, encourage progress, and lead the future road of automobile film pasting through the innovation and creation of [Not Scar Wrap Cutting Tape](#). Innovation and creation come from dream, practice and cooperation. As the largest production and marketing industry in China, [Not Scar Wrap Cutting Tape](#) not only has a forward-looking judgment on the future, but also has practical efforts in every step at present, which may be the reason why Dongguan Taimao Electronic Materials Co., Ltd. jsw[Not Scar Wrap Cutting Tape](#) has such an industrial position in the industry. Because [Not Scar Wrap Cutting Tape](#) does not lack super thinking and leading technology, it is important to find a down-to-earth methodology while looking up at the stars.
