DONGGUAN TAIMAO TECHNOLOGY MATERIAL CO.,LTD [JSWTPU Line](#) is called molding [TPU Line](#), seamless [TPU Line](#), and garland [TPU Line](#). The mechanism of action is that the polymer fiber tape has a super strong fiber. When the fiber line is pulled apart, and the softness of the polymer tape and the invisible reaction of the invisible clothing hard horny, the fine fiber lines in the middle of the [TPU Line](#) form a stable blade effect structure. Easy to cut invisible clothing, widely used in automotive beauty film solutions, [TPU Line](#) has good weather resistance: due to the irreversible characteristics after bridging, it will not be subject to creep and brittleness due to changes in ambient temperature. [TPU Line](#) has high toughness, stable viscosity and excellent permeability and affinity. Storage conditions: Store in a dry and cool environment at 10 ~ 25 ° C, avoid direct sunlight, and do not near alcohol solvents. Packaging specification: (5mm*50M) Shelf life: (2 years). Extend (500 to 580%). Appearance (transparent)

Pay attention to service timeliness and provide fast service. The sales staff shall implement the quick service strategy of the whole process, and each employee is obliged to answer the [TPU Line](#) business and related questions raised by customers in a timely manner. Increase service items and provide active and preferential services. In action, first of all, we need to change the previous work style of "people ask for me" and "waiting for door-to-door", and increase the sales channels of [TPU Line](#). We try our best to make our customers familiar with the process. In the design line industry, enough attention has been paid to the promotion. The development direction of JSW marketing strategy of Dongguan Taimao Electronic Materials Co., Ltd. -- vigorously develop the [TPU Line](#) market, first of all, strengthen product innovation. To develop domestic and foreign markets, we must strengthen the concept of service and further improve the level of service. Dongguan Taimao Electronic Materials Co., Ltd. JSW's social image of services provided to customers directly affects the market competitiveness of [TPU Line](#). In order to develop the overseas market, it is

necessary to adjust the business model of Dongguan Taimao Electronic Materials Co., Ltd. JSW and restructure it. For a long time, Dongguan Taimao Electronic Materials Co., Ltd. JSW has established a perfect after-sales service system to ensure timely delivery and diversified process plans.

In 2017, JSW of Dongguan Taimao Electronic Materials Co., Ltd. has undergone tremendous changes. Aiming at the young people's cars, we need to highlight their personality and taste. Jsw [TPU Line](#) of Dongguan Taimao Electronic Materials Co., Ltd. integrates marketing resources to make marketing value-added, adjusts prices, product quality, production volume, etc. to better adapt to market needs and meet consumer needs.
