

荣耀控制台JL-G01

产品名称	荣耀控制台JL-G01
公司名称	嘉利恒星（深圳）科技有限公司
价格	12000.00/米
规格参数	嘉利恒兴:防火板 JL-G01:冷轧钢板 北京:高大上
公司地址	深圳市龙岗区横岗街道塘坑地铁站安信大厦三楼
联系电话	18675523436

产品详情

荣耀(JL-G)系列是嘉利恒兴经典沉淀不断创新完善的系列。采用了坚实的基础框架支撑结构，提供全方位的行业标准的功能和众多可先行升级。

The glory (JL-G) series is a series of continuous innovation and perfection of the classic precipitation of Jiali Hengxing. With a solid base frame support structure, it offers a full range of industry-standard features and numerous upgrades.

JL-G特点：

JL-G features:

桌面深度、宽度、后背墙高度、附属配件拥有极大的拓展性能

Desktop depth, width, back wall height, and accessory accessories have great expansion performance

可根据客户需求增加灯光联动报警系统，实现智能报警

Light linkage alarm system can be added according to customer needs to realize intelligent alarm

可加装多彩氛围灯，保持与控制室环境的一致性，增加整体控制室科技感

Colorful ambient lights can be installed to maintain consistency with the control room environment and increase the overall control room technology

坚固耐用，多模块自由组合，后期扩展性能极强

Rugged and durable, multi-module free combination, strong expansion performance in the later stage

合理的布线和专业的设计给予电子设备稳定运行的保障

Reasonable wiring and professional design guarantee the stable operation of electronic equipment

JL-G2特点:

JL-G2 features:

灵活的模块多变的组合，通用定制化选项的设计模式

Flexible modular changeable design, universal customizable option design pattern

以无限制的外观结构选择可以匹配各种监控中心环境的需求，适应广泛的配置选择

With an unrestricted appearance structure, it can match the needs of various monitoring center environments and adapt to a wide range of configuration options.

隐私台罩，可选择单层或双层显示器台罩,打造私密舒适的工作空间

Privacy table cover with single or double display table cover for a private and comfortable work space

多功能铝型材挂槽后背墙

Multi-function aluminum profile hanging groove back wall

隐藏式电缆管理功能，确保安全、易于管理，避免杂乱

Concealed cable management features ensure security, ease of management, and avoid clutter

开放性后背板，方便检修维护

Open back panel for easy maintenance

稳固冷轧钢板结构框架，高强度高质量的钢结构

Stable cold rolled steel structural frame, high strength and high quality steel structure
