产品详情

单层标准型:

单层标准瓦外露部分由两条分瓦线形成三片式,单片内的色调及深浅变化使屋面显现出阴影的效果,由于色彩斑斓兼具自然时尚,在寻求房屋与自然相生相息的同时,又突出强烈的人文主义情怀,外观大方、持久,从屋面的整体规划角度,将美的形态凝固成风景般的姿态,创造出尊崇建筑的经典品味;其美丽而又丰富的颜色可以匹配任何环境下的公寓、别墅、度假村、排屋、园林景观改造等10度以上的屋面。

The exposed part of the monolayer standard shingle is a three-plate unit divided by two separation lines. The tone and color depth change of each plate shows a shadow effect. The design, colorful, natural and fashionable, emphasizes strong humanistic feelings while seeking the harmony of the roof and natural. The clean and durable appearance, with a view to the integrated planning, puts the beautiful shapes as landscape-like

existence and works out the classic architecture model taste. The beautiful and divers colors can match apartments, villas, resorts, terraces, landscape architecture renovations with roof grades greater than 10-degree in any environment.
