多功能绿豆糕 糯米糕云片糕米糕机设备

质量是企业的生命，是企业长远发展的根本。如何把好“质量关”，如何崩紧质量这根弦？这个是我们所有员工必须引起深思的问题。在工作中我们每一个人都必须严格要求自己，对自己要求更高些，对工作更细致些，对工作要以高度的责任心，确保每项工作按照标准化要求运转，从而使产品达到高标准、高质量。标准在我心中，强调的是人的责任。质量在我手中，强调的是工作的态度，只有责任与态度有效的合为一体，那么我们的产品质量将是顶呱呱的产品，这就证明了我们每个人都在为质量工作负责。

Quality is the life of an enterprise and the foundation of its long-term development. How to control the quality, how to tighten the quality of this string? This is a question that all our employees must think deeply about. In our work, each of us must be strict with ourselves, have a higher requirement for ourselves, be more meticulous about our work, have a high sense of responsibility for our work, and ensure that every work runs in accordance with the requirements of standardization, so as to make our products reach high standards and high quality. In my mind, standards emphasize human responsibility. Quality in my hands, the emphasis is on the attitude of work, only responsibility and attitude effective integration, then our product quality will be top-notch products, which proves that each of us is responsible for quality work.
