dear sir/madam,

our factory was born in 90s" and covers about 1000 square meters.

we are currently making ball gowns, prom dresses for middle east market, and for usa and europe market by best price and good quality.

our products covers not only evening dresses,bridesmaid dresses,cocktail dresses, mother of brides dressesbut also wedding dresses for japan market. and our price can range about from 20 dollars to 150 dollars.

we accept oem production.

you are welcome to know more info. about us. we sincerely invite you to visit us when you travel to chaozhou city. it takes only 2 min from chaozhou hotel to our factory by our car. look forward to hearing from you.thanks!
