高质量的产品给企业的市场营销以十足的信心，是市场营销成功的保证。如果质量上不去，再有成效的市场营销也只能是前面开拓市场，后面丢失阵地，前面扩大销售，后面增加投诉。

High-quality products give enterprises full confidence in marketing, which is the guarantee of successful marketing. If the quality is not good, effective marketing can only open up the market in front, lose the position in the back, expand

sales in front and increase complaints in the back.
