

PA66 70G35HSL BK267

产品名称	PA66 70G35HSL BK267
公司名称	东莞市彤达塑胶原料有限公司
价格	.00/个
规格参数	杜邦:PA66 70G35H:原包进口 美国:价格
公司地址	东莞市樟木头镇百果洞社区帝豪街6巷1号一楼
联系电话	13434081795

产品详情

PA66 70G35HSL BK267 application: First used in the automotive industry, electrical and electronics industry, transportation industry, machinery industry. The production of various kinds of bearings, gears, gear, CAM, bevel gear, oil pipe, oil reservoir, shielding, supporting frame, wheel cover cap, guide plate, electric fan, air filter shell, radiator water room, brake pipe, hood, door handle. Bearings, gears, pulleys pump impeller, vane, high-pressure sealing ring, mat, seat, bushing, oil pipe, oil container, rope, belt, grinding wheel adhesive, battery box, electric appliance coil, cable joint all kinds of roller, roller, pump impeller, fan blades, worm gear, screw, screw, nut, resistance Oil seal gasket, oil-resistant container, shell, hose, cable sheath, shears, pulley sleeves, sliding block of shaper, electromagnetic distribution seat, cold aging equipment, liner, bearing hanger, various oil pipes, rope, transmission belt, textile machinery industrial equipment, and so on.Service purpose: in order to survive, to serve a promise, to promise to meet customers, to customers for development!Welcome customers from all over the phone, mail orders! Welcome.Our company can provide material certification statement; UL certification, FDA certification, material certification, ISO, ASTMMaterials, ROHS (SGS) statement, product description (MSDS)
