    After 23 years of development, Food & Hospitality China (FHC) has become the industry's leading trade show. With the huge market demand in China's catering industry, FHC provides an important platform for major multinational companies to enter the Chinese food and beverage market. The exhibition area of FHC 2019 has reached 180,000 square meters, with 133,751 visitors- an increase of 13% over the past, and a total of 3,500 exhibitors, breaking all records of previous editions.

    Looking forward to 2020, FHC will continue to expand the exhibition area to an unprecedented 200,000 square meters. It is believed that the various exhibition areas, the exciting international competitions, and innovative special events will attract a large number of professional visitors from all over the world.
