产品详情

Article 10 of the "Interim Regulations on Value Added Tax" stipulates that the input tax amount for purchased items, labor services, services, intangible assets and real estate used for simple tax calculation methods, tax exemption items, collective welfare or personal consumption Deduct from the output tax. If the labor protection expenses incurred by an enterprise are not within the scope of the above input tax deduction, then as long as a legal VAT deduction certificate is obtained, the input tax can be deducted from the output tax.

CIOSH 2020

2、 About Exhibition :

China International Occupational Safety & Health Goods Expo (CIOSH), supported by Ministry of Commerce of PRC, sponsored by China Textile Commerce Association, is the national professional expo. The history of CIOSH dated back to the 1960s, twice per year. With transformation from planned economy to market economy, CIOSH has developed into an influential brand expo with the function of centralizing all the fine goods and enterprises of production, supplying and selling instead of distributing the national products in the labor protection industry.

3、 Exhibition products

Personal protective equipment (head, eye and face, foot and hand protection equipment, protective clothing, fall protection equipment, respiratory protection equipment, water life-saving equipment, etc.) Safety production equipment.
