用途：在国外商业中，天下列国凭据各自的对外商业政策，遍及执行入口商业管束，对入口商品执行不同关税和数目限定，并由海关执行统计。普通产地证是收支口国出具货品的证实，已成为国外老例，所以普通产地证是举行国外商业的一项紧张证实文件，具备如下几方面的用途：

Uses: In foreign business, according to their respective foreign business policies, the following countries have implemented import commercial controls, imposed different tariffs and restrictions on the number of imported commodities, and are subject to customs statistics. The ordinary certificate of origin is a confirmation of the goods issued by the country of income and expenditure, and has become an old example in foreign countries. Therefore, the ordinary certificate of origin is a tense confirmation document for holding foreign businesses and has the following uses:
