注意办-理使馆认证所需的时间。

Pay attention to the time required to handle the embassy certification.

不同的国家对办-理使馆认证的时间有不同的规定。阿根廷大使馆规定使馆认证的时间为10天,沙特为10天等。同时,由于各国使馆往往是我国的假期和本国的假期都休息,因此,企业在申请办-理使馆认证时要注意各使馆对认证时限的规定,尽可能提早办-理,以便顺利通关结汇。

Different countries have different regulations on the timing of certification by the embassy. The Embassy of Argentina stipulates that the time for embassy certification is 10 days, and Saudi Arabia is 10 days. At the same time, since embassies of various countries are usually closed for holidays in China and national holidays, enterprises should pay attention to the regulations of the embassies on the time limit for certification when applying for office-management of embassy certification.
