## 产品详情

印尼大使馆认证（公司章程要认证正本还是复印件就好？）

在华大使馆认证（各国驻华使馆认证均可办理）13715150281-

目前在中国从事商业文件认证的阿根廷驻华使馆及认证时间如下：

- 1,阿根廷北京大使馆 商业文件(产地证/ INVOICE/出口声明) 时间10个工作日
- 2,阿根廷上海领事馆 商业文件(产地证/ INVOICE/出口声明) 时间12-15个工作日
- 3,阿根廷广州领事馆 商业文件(产地证/ INVOICE/出口声明) 时间15个工作日

因为种类繁多，国家多样，要求不一。

各国驻华使馆由于各国情况不同，关于领事认证的具体要求和收费情况也不尽相同。特别要提醒各家需要做领事认证的企业，很多领事认证要求产地证和一起认证，而且他们的认证金额按金额收费，金额越大，相应认证费用也越高，这些使馆主要有阿联酋、卡塔尔、黎巴嫩、利比亚、叙利亚、伊朗、约旦、阿曼，企业在做到这些使馆的领事认证前务必清楚其认证费用，详细请咨询我们，免得增加外贸成本，其余使馆按份收费。

Ordinary schools lack both the will and the resources to accept and support disabled children in school. Based on the results of the national census on disability, there are more than 2 million disabled or special needs children aged 0-14. Due to the increasing number of disabled children, the inadequate allocation of educational resources and the lack of rationality of planning and other problems, ordinary schools still refuse to admit special children. Even in ordinary schools, the quality of education for exceptional children is worrying.

In 1994, the former state education commission (the ministry of education) issued the "trial measures on carrying out the work of disabled children and juveniles following classes" (hereinafter referred to as "measures on following classes"). Some of the provisions and guidelines at that time did not meet the actual needs of promoting integrated education today.
