自由销售证书（出口销售证明书）简介：自由销售证书也叫出口销售证明书英文名称为：Free SalesCertificate、Certificate of Free Sale或者 Certificate For Exportation of Medical Products；简称：FSC 或 CFS。

Brief introduction of free sales certificate (export sales certificate): Free sales certificate is also called export sales certificate. The English name is: Free SalesCertificate, Certificate of Free Sale or Certificate For Exportation of Medical Products; abbreviation: FSC or CFS.

自由销售有两种出具方式，一种是由出口商自行议定出口销售证书，由出口盖章。另一种由第三方官方机构出具，要看具体产品，主要的有食品药品监督管理局/卫生局/化妆品协会/畜牧兽医局等等；

There are two ways to issue free sales. One is that the exporter agrees on the export sales certificate and the export seal. The other is issued by a third-party official agency, depending on the specific product. The main ones are Food and Drug Administration / Health Bureau / Cosmetic Association / Animal and Veterinary Bureau, etc.
