

sizing agent for paper chemicals-Alkyl ketene dimer(AKD Wax)

产品名称	sizing agent for paper chemicals-Alkyl ketene dimer(AKD Wax)
公司名称	山东荆河日用化工有限公司
价格	16800.00/吨
规格参数	型号:AKD1840/1865 品牌:Jinghe 有效物质含量:90 (%)
公司地址	滕州市北辛路东首
联系电话	0632-5065888

产品详情

型号	AKD1840/1865	品牌	Jinghe
有效物质含量	90 (%)	执行标准	international standard
主要用途	sizing agent	应用范围	paper making chemicals
CAS	144245-85-2		

sizing agent for paper chemicals- alkyl ketene dimer

specifications

product name	alkyl ketene dimer(akd wax)
brand name	jinghe
application	paper making chemicals
apperance	buff flakes
purity	90% min
loss on drying	1.5% max
iodine value (gi2/100g)	45 min
acid value (mgkoh/g)	2.0 max
melting point	48.5 ° c
free fatty acid	2.0% max
physical state	flakes & block
stock temperature	below 35 ° c
package	25kgs/400kgs/500kgsper woven bag with pe-liner

this product is alkyl ketene dimmer after taking acylation and dehydrochlorination from higher fatty acid. this product

can be considered as crude materials of akd and neutral sizing agent and be used to produce emulsified liquid of paper pulp neutral sizing agent.

our company was established in 1988 and is specialized in producing alkyl ketene dimer(akd wax), sodium percarbonate(spc). akd wax products can be used in paper making chemicals.the annual output is 30,000 tons per year, and 70% products are exported to all over the world, such as, japan, south korea, india, europe, south asia ect. we have obtained iso9001-2000 certificate.
