

PBT CN7030NN/BB

产品名称	PBT CN7030NN/BB
公司名称	东莞市晶宏塑胶原料有限公司
价格	.00/个
规格参数	品牌:日本宝理 型号:CN7030NN/BB 特性:阻燃
公司地址	东莞市樟木头镇百果洞百顺小区三巷5号一楼(注册地址)
联系电话	076989977070 18200646066

产品详情

PBT CN7030NN/BB--Flame Retardant, UL Approved Regrind 50% Inclusive, GF 30% Reinforced, Standard

Filler / reinforcement

Glass fiber reinforced material, 30% Filler by weight

additive

Flame retardant

Recovery content

Yes, 50%

characteristic

UL file number

E213445

form

particle

Processing method

injection molding

With the rapid development of China's automobile industry and electronic / electrical industry, the demand for PBT is also growing rapidly. According to relevant data, the domestic production of plastic grade PBT in 2003 was about 6600t. The domestic PBT output can not meet the demand of the domestic market. It needs to import thousands of tons of PBT every year. In 2003, the import volume is more than 6000t, and the annual consumption is about 130000t. It is expected that the annual growth rate will be 12% in the next few years. In 2005, the consumption demand of PBT resin in China is conservatively estimated at 20000 t / A. By 2005, the average annual growth rate is 10% ~ 12%, which is in the stage of rapid growth, far higher than the world average growth level; the demand will reach 5~6 million T / A in 2010, and the average annual growth rate in 2005~2010 will be 11% ~ 12%. China will become one of the countries with the fastest growth and the largest demand for PBT
