But that into the plan in Liu Zhang, is yizhou don't drive, zhang, song, word Yongnian. The life value pickaxe tip, nose stiff teeth dew, the body short less than five chi, speech if the jade bell. Liu Zhang asked, "What advice do you have for solving Zhang Lu's danger?" Song said, "A certain cao Cao, who was in the xu capital, swept through the central Plains. As Cao Cao was sitting in the hall, Song worshiped, Cao cao asked, "Your Lord Liu Zhang has not paid tribute for years. Why not?" Song said: "Because the road is difficult, thieves steal, can not get through." "I swept away the central Plains," he said. "What thieves are there?" "Sun Quan in the south, Zhang Lu in the north, and Liu Bei in the west," song replied. < / p > < p > cao See Zhang Song characters obscene, five points do not like; Hear language to collide again, hence kiss sleeve but rise, turn into back hall.
