枸杞草本复合软胶囊(wolfberry herbal compound soft cap)

产品功效：提高免疫力，抗疲劳，调补“五脏”内邪气，延缓衰老，增强性功能，养颜润肤。

product efficacy: enhance immunity, anti-fatigue, tune up "the five internal organs," in evil, anti-aging, enhance sexual function, beauty emollients

产品特点：本品立足宁夏枸杞原产地资源独特优势，依据《本草纲目》之保寿堂方剂，选用枸杞、枸杞苗、枸杞籽及绿茶提取物儿茶素为原料，科学均衡搭配组方精制而成。李世珍《保寿堂方》记载猗氏县一叫张传的老人用春采的枸杞苗，夏采的枸杞花，秋采的枸杞果，冬采的枸杞根，合并阴干，制成粉末，炼成密丸，早晚服一丸，活过百岁，行走如飞，头发百后变黑，牙齿脱落更生，阳事强健。经现代医学临床研究发现，枸杞具有增强免疫和免疫调节功能，可显著提中老年人细胞免疫功能，能明显促进造血功能，还可调节血脂、抗脂肪肝、抗衰老、明目。枸杞草本复合较胶囊，吸取了枸杞之全部精华，是现代科技与传统保健的完美结合。

product features: this product is based on the origin of ningxia wolfberry unique advantages of resources, based on "compendium of materia medica" in paul sau tong prescription, choose chinese wolfberry, wolfberry miao, chinese wolfberry seed and green tea extract catechins as raw materials, science with a balanced set of square crafted . li shizhen "bao sau tong fang," recorded in a jiao zhang yi chuan"s county, the elderly chinese wolfberry seedling taken with the

spring, summer, chinese wolfberry mining flowers, autumn mining, chinese wolfberry fruit, chinese wolfberry winter mining roots mergers dried, made into powder, tempered mi pills, one pill morning and evening clothes, live over hundred years old, walking like a champ, and her hair black after the 100, tooth loss, rehabilitation, yang thing strong. the clinical study found that modern medicine, chinese wolfberry enhanced immunity and immune regulation function, can significantly raise cellular immune function in the elderly can significantly promote hematopoietic function, but also regulate blood fat, anti-fatty liver, anti-aging eyesight. wolfberry herbal complex than the capsule, to learn the entire essence of the chinese wolfberry is a modern technology with the perfect combination of traditional health care.
