

电子产品ce认证办理

产品名称	电子产品ce认证办理
公司名称	国瑞中安集团-综合性CRO机构
价格	.00/个
规格参数	
公司地址	深圳市光明区光源五路宝新科技园一期2#一层
联系电话	15816864648 15816864648

产品详情

电子产品CE认证办理检测标准有哪些？

常见的电子产品办理CE认证，做的认证指令是EMC指令-2014/53/EU，LVD指令-2014/30/EU以及机械指令-2006/42/EC

电子产品ce认证产品样图

对于普通的直流电产品，我们做CE认证应用的指令是EMC指令-2014/53/EU。EMC指令的等同标准如下

工业产品相关标准及测试种类

EN55011 Limit and methods of measurement of radio interference characteristics of industrial electrical device

EN55012 Limit and methods of measurement of radio interference characteristics of industrial electrical device

EN55014 Limit and methods of measurement of radio interference characteristics of industrial electrical device

EN55015 Limit and methods of measurement of radio interference characteristics of industrial electrical device

EN55016 Limit and methods of measurement of radio interference characteristics of industrial electrical device

EN55017 Limit and methods of measurement of radio interference characteristics of industrial electrical device

EN55018 Limit and methods of measurement of radio interference characteristics of industrial electrical device

EN55019 Limit and methods of measurement of radio interference characteristics of industrial electrical device

EN55020 Limit and methods of measurement of radio interference characteristics of industrial electrical device

EN55022 Limit and methods of measurement of radio interference characteristics of industrial electrical device

EN55024 Limit and methods of measurement of radio interference characteristics of industrial electrical device

EN55025 Limit and methods of measurement of radio interference characteristics of industrial electrical device

EN55026 Limit and methods of measurement of radio interference characteristics of industrial electrical device

EN55027 Limit and methods of measurement of radio interference characteristics of industrial electrical device

EN55028 Limit and methods of measurement of radio interference characteristics of industrial electrical device

EN55029 Limit and methods of measurement of radio interference characteristics of industrial electrical device

EN55030 Limit and methods of measurement of radio interference characteristics of industrial electrical device

EN55031 Limit and methods of measurement of radio interference characteristics of industrial electrical device

EN55032 Limit and methods of measurement of radio interference characteristics of industrial electrical device

EN55033 Limit and methods of measurement of radio interference characteristics of industrial electrical device

EN55034 Limit and methods of measurement of radio interference characteristics of industrial electrical device
