产品详情

Turbo Oil 2389

Does your fleet travel across a range of temperatures? Eastman Turbo Oil 2389 offers best-in-class thermal stability for more reliable performance across a range of temperatures. It is your advanced APU performance oil with excellent “ cold soak ” reliability in aircraft APUs. Due to its good oxidation stability, you can see improved fluid life in your engine. ETO 2389 is the most widely used 3 cSt synthetic lubricant in aircraft APUs, so you won ’ t be the first to switch.
