产品详情

在传统餐饮供应链中，餐饮企业扮演着极为重要的角色，配送、研发等环节都需由企业自身承担，而菜品生产、加工等步骤也均在餐饮门店内执行，致使供应链管理的各个环节都难以实现标准化。而众多大型餐饮品牌的食材供应流通环节大都是由餐饮供应链企业参与，这对品牌企业的规模化扩张无疑起到了很大的促进作用。FHC所设立的高端食材供应链专区，邀请国际高端连锁餐饮品牌的供应商参与现场展示，高品质的原料、辅料、半成品、成品、加工包装及储存配送等一应俱全，为中小餐饮企业在供应链环节中的食材难题带来更多解决方案。 In traditional catering supply chain, the part of catering company is crucial. The distribution, R & D and other links would be undertaken by catering companies. The steps of food production and processing are also finishing in catering stores, which makes it difficult to standardize the various steps of supply chain management. However, most of the circulation links of food supply for leading enterprises are supported by catering supply chain companies, which undoubtedly play a great role in promoting the scale expansion of catering enterprises. FHC set up a special area to invite the suppliers of international high-end chain catering brands to the exhibition site and solve the ingredient problem of small and medium-sized catering companies in the supply chain link from high quality raw materials, spices, various semi-finished products, finished products, processing, packaging, storage and distribution.
