[aluxe fame tall chestnut boots](#). a runway-ready boot, the fame pays tribute to the big city fashionista on the move. [a tall sheepskin boot](#), the fame is accented with a pure wool leg warmer top that brings out the inner "coco" in every wearer. [sheepskin boots](#) meets 80's dance flair. as sheepskin is a natural product, it stretches very quickly, so people should always size down from their original size. made of 100% grade-a double faced [australian sheepskin](#), eva recycled rubber sole, organic cotton bindings, re-enforced suede heel, and our signature metal logo label on back.
