产品详情

品牌	KNK	型号	KNK-inp16
产品类型	限幅二极管	LED封装	无色散射封装(W)

size of module/module resolution model		160x160mm 16x16 ph16
pixel pitch	mm	16
pixel density	dots/m2	10,000
size of cabinet	(l x w)mm	640 x 80
cabinet resolution	(l x w)dots	64 x 48
max. power consumptionw/m2		900
viewing distance	meter	10~35
composition		rgb 2,1,1
control mode		video synchronization
colors		68.7billion
grey scale		4,096 grades
display mode		up to 1024x768
effective communication distance		cat. 5 communication cable not over 120 meters(without relay), optical fiber

driving mode	transmission 10,000 meters
refreshing frequency	1/2scan constant current driving 400 hz
mtbf	>10,000 hours
power supply	ac220v/50hz, ac110v/60hz
environment temperature	-20oc ~ +50oc
(50% brightness)lifetime	>100,000 hours
